

# IOSH Safety for Executive and Directors

---

---

## EXPECTATIONS

This course is designed for People with strategic responsibility for determining effective health & safety management and putting it into practice in the organisation.

At the end of this course, people should:

- Describe the legal, moral and financial role of operational directors, owners of small businesses and senior executives,
- Explain the importance of safety and health at top-management level and how integrating those objectives into other business management objectives can help to minimise risk
- Illustrate how to plan the direction for safety and health.
- Explain the value of an adequately resourced and efficient safety and health management system
- Outline the benefits of good safety and health management systems
- Describe the importance of reviewing and continually improving management systems

## THE 2020 WAY

2020 Safety Solutions Ltd take a different approach to most training providers. Our courses are designed by educational experts as well as subject specialists.

Every course is based upon engagement, interaction and enjoyment as well as personal development.

It's training, just done differently.
